REVERIE

A DREAM WORTH COMING HOME TO

THE GADA PROMISE

For over two decades, Gada Group has built more than homes — trust, timeless design, and communities people are proud to belong to.

VISION

To be Pune's most trusted name in real estate, setting new benchmarks in quality, design and customer-focused living.

MISSION

To craft spaces of enduring value, built with integrity and delivered with precision — homes people are proud to call their own.

*There are homes we choose.
And then, there are homes we
have always imagined.*

Reverie is born from that imagination,
a rare collection of just six residences,
each conceived as a different expression
of the timeless idea of a dream.

Six residences.
Six cultures.
Six interpretations.
One dream.

THE MEANING OF REVERIE

noun

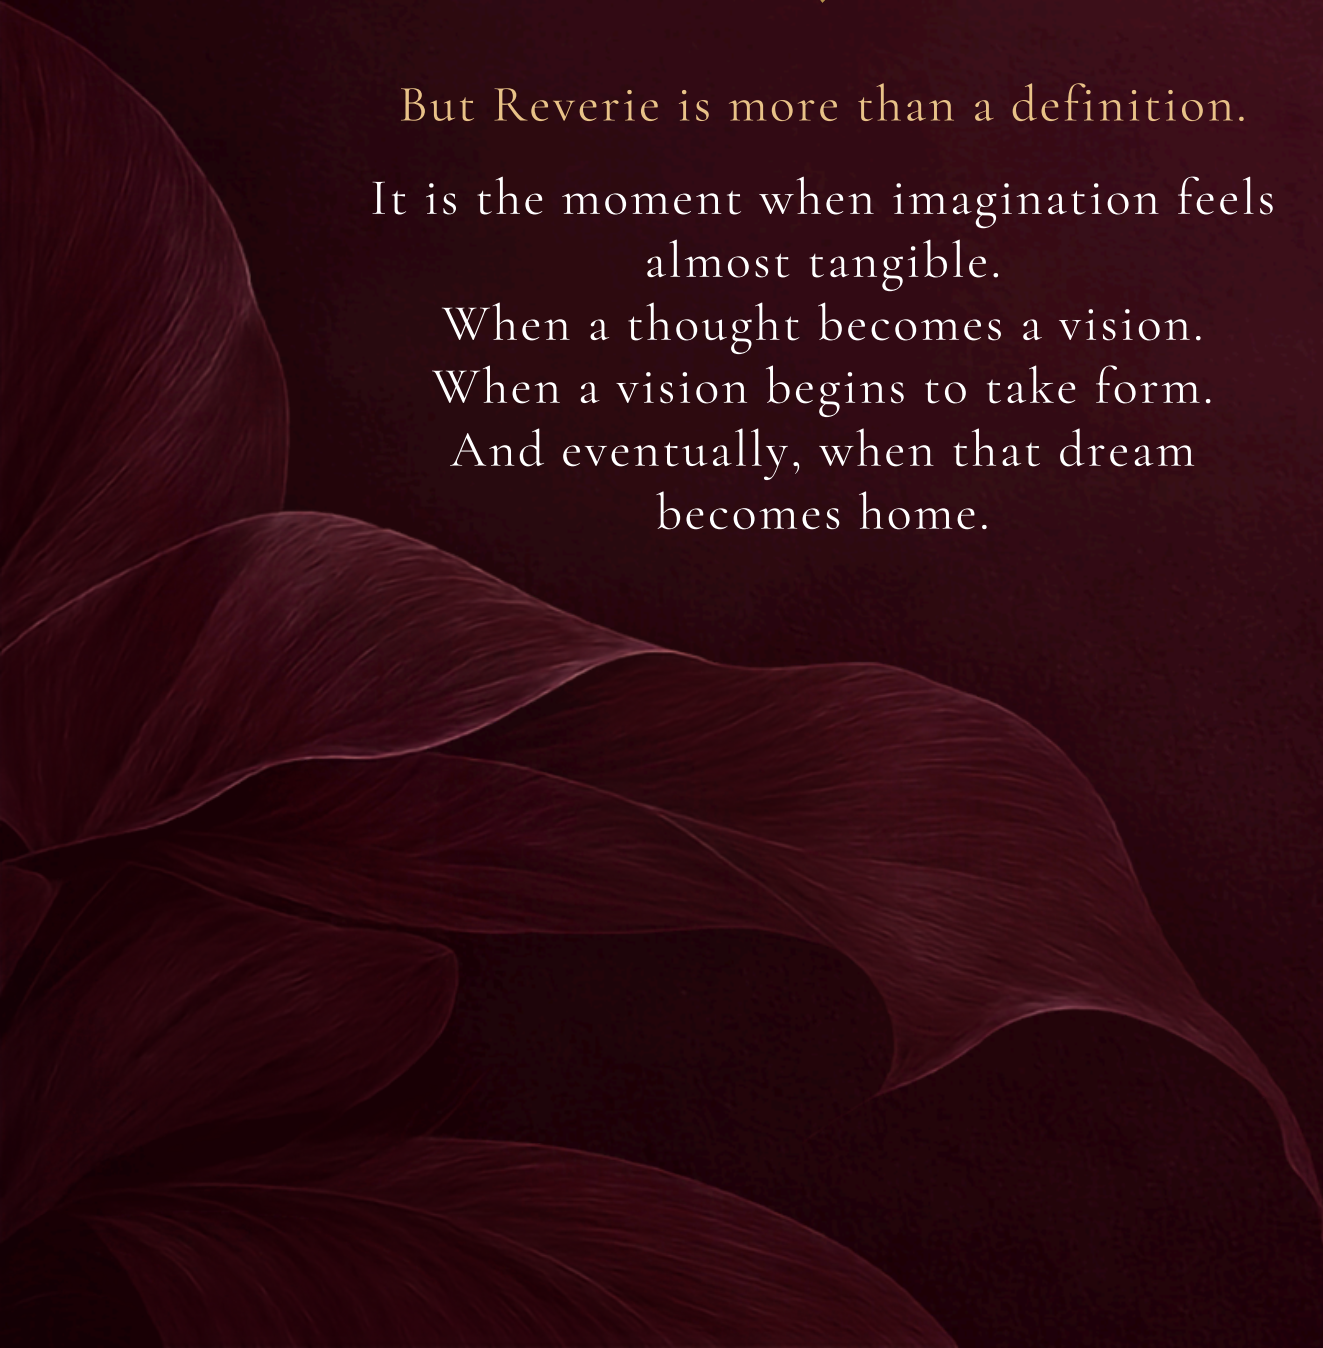

A state of being pleasantly lost in one's thoughts;
a daydream; a beautiful world created by the imagination.

But Reverie is more than a definition.

It is the moment when imagination feels
almost tangible.

When a thought becomes a vision.
When a vision begins to take form.
And eventually, when that dream
becomes home.

What Makes REVERIE REVERIE

Bungalow Living. Reimagined in a Residence.

ONLY 6 HOMES. ONLY 1 PER FLOOR.

Reverie is deliberately low density.
6 floors. 6 residences. 1 residence on each floor.

No crowded corridors.
No multiple homes sharing the same floor.
No shared walls between residences.

A bungalow like sense of exclusivity,
elevated into a vertical residence.

A HOME, REIMAGINED

Reverie is not simply an address.

It is an intimate interpretation of what home can be
— personal, expressive and deeply considered.

With only six residences, exclusivity here is not an
added feature. It is the very nature of the address.

Every residence is an invitation into a world of its own,
created for those who believe that the spaces they
inhabit should feel as remarkable as the lives they lead.

SOME DREAMS ARE IMAGINED.
FEW ARE LIVED.
